

STATEMENT OF PURPOSE

RS29310 / H0502

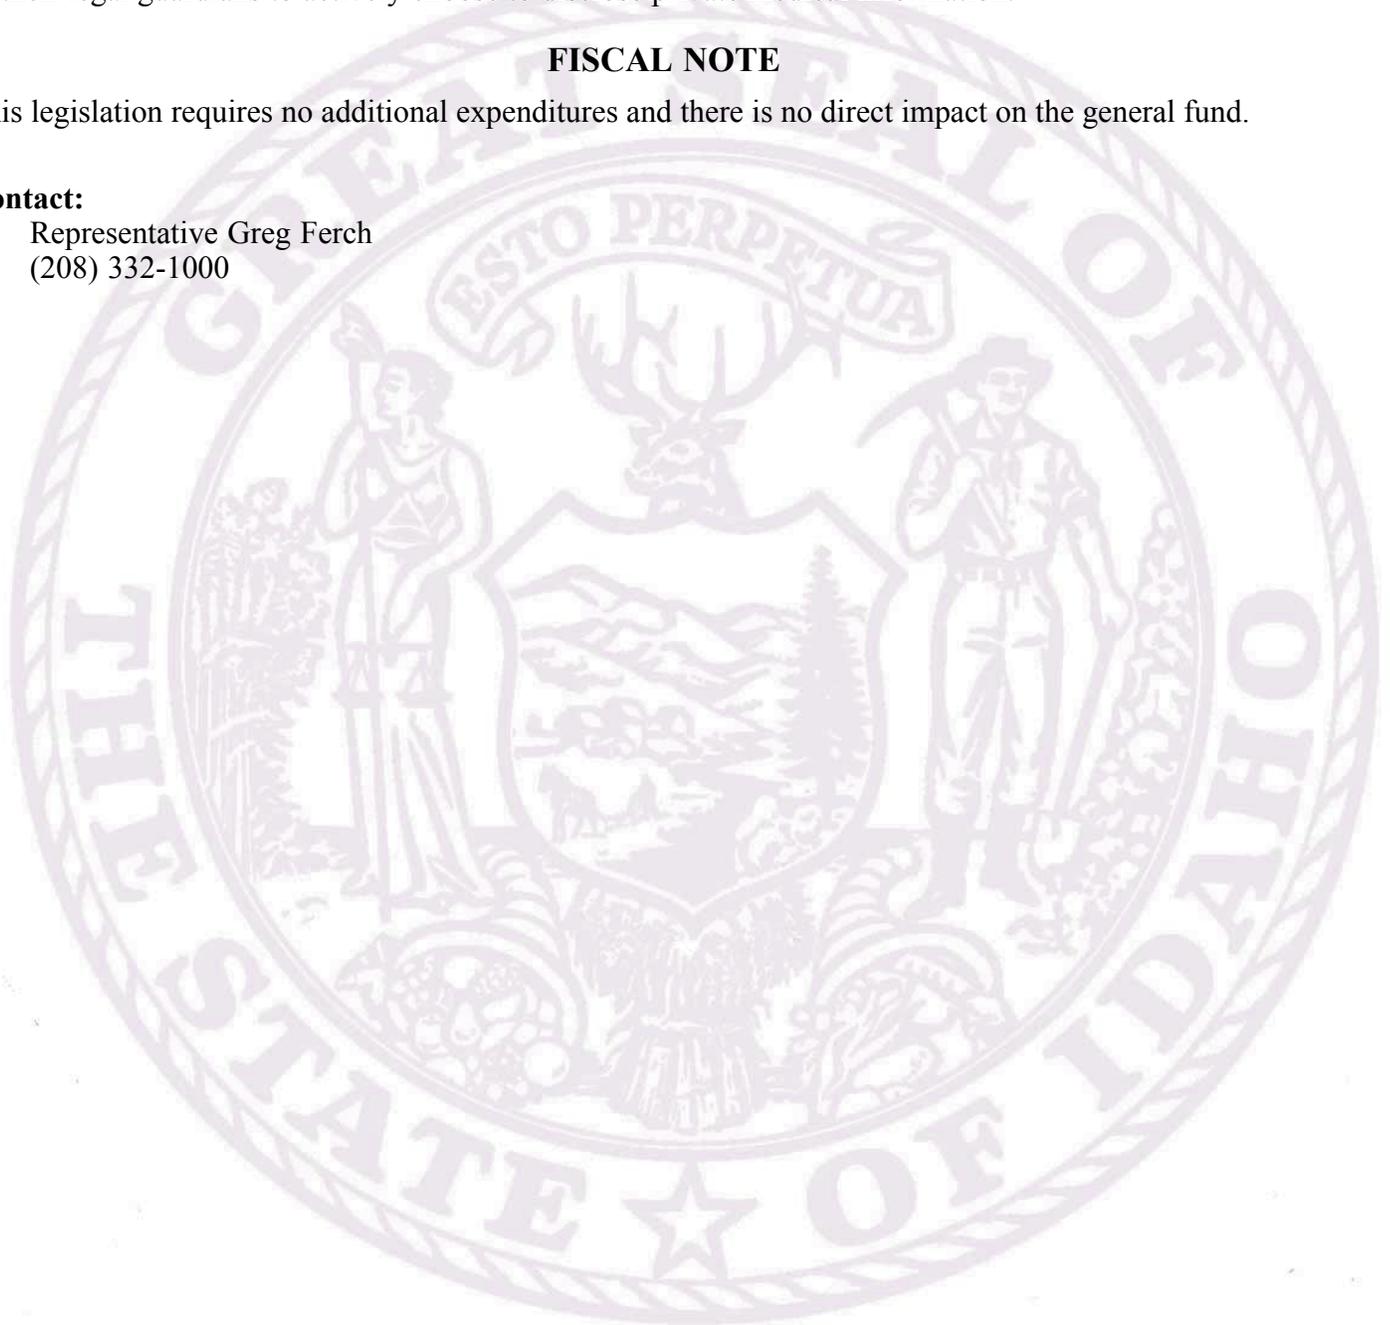

This legislation amends section 39-4803 Regarding the IMMUNIZATION REGISTRY. The modification protects the private nature of healthcare records by changing the procedure from an opting out format to an opting in format. This, therefore, makes the default position one of health record privacy requiring individuals or their legal guardians to actively choose to disclose private medical information.

FISCAL NOTE

This legislation requires no additional expenditures and there is no direct impact on the general fund.
